EWA, Inc. Corporate Quality Policy

EWA, Inc. has established this quality policy to ensure that we, individually and corporately, will accomplish our stated mission and strive to fulfill our corporate vision:

EWA's Mission: "To bring together a broad range of creative, skilled, and dedicated professionals who are passionate about discovering ways to make a safer more secure world, and are committed to the success of our customers and our company."

EWA's Vision: "Enabling a More Secure Future"

- To consistently satisfy our customers with high quality products and services, we will establish and maintain a Quality Management System which satisfies the requirements of ISO 9001:2015.
- We will strive to continually improve our products/services provided to Customers, through the use of the EWA QMS, which documents our processes, procedures, and performance evaluation results.
- We will establish annual quality objectives at strategic and operational levels within the Company, which will be measured and reported upon at management review meetings.
- We will maintain documented information as objective evidence to demonstrate compliance with the EWA QMS.
- We will control & continually monitor all projects undertaken.
- We will comply with all applicable statutory and regulatory requirements.
- We will review the Quality Management System at planned intervals to ensure it is effective and achieving the stated objectives.

The Senior Management team is fully committed to the above and actively encourages a similar commitment by personnel at all levels of the Company.
